David Bogaciu

Bucharest, Romania | +40 731 444 302 | bogaciu.david07@gmail.com

EDUCATION

Bucharest University of Economic Studies (ASE) - FABIZ Bucharest, Romania
BA in Business Administration, taught in English - Expected June 2026 *Oct 2023 – Jun 2026*

- Relevant coursework: Business Strategy, Econometrics, Microeconomics, Macroeconomics, Business Negotiation, Introduction to Finance

EXPERIENCE

CFA Institute Research Challenge Bucharest, Romania
Team Lead, Valuation - Winner *Sep 2025 - Mar 2026*

- Part of a 5 person FABIZ team, winning the Romania local final (1 of 8 faculties) on TeraPlast S.A. (BVB: TRP), coordinating workstreams across modeling, industry analysis, and research.
- Structured the valuation thesis combining a two-stage FCFF DCF (WACC via yield-curve interpolation and Hamada re-levering) with a segment-weighted relative valuation across 9 peers in 3 subgroups, reconciling methods into a HOLD recommendation.
- Stress-tested across 3 macro scenarios and presented to a CFA Society practitioner panel, answering technical questions on WACC calculation, relative valuation and target price.

CEC Bank Bucharest, Romania
Treasury Intern *Mar 2025 - Apr 2025*

- Rotated across front, sales, and middle office, tracking FX flows and government-securities auctions and compiling the full rotation into a detailed end-of-internship reference document covering FX, swaps, government securities, and ALM workflows.

Total Grup Telecom Bucharest, Romania
Site Acquisition Specialist (Part-time) *Feb 2024 - Sep 2024*

- Gained early commercial exposure at a family-owned telecom business, accompanying leadership into landowner negotiations, permitting reviews, and lease execution meetings across Bucharest; built a first-hand view of how deals move from sourcing to signature in a regulated infrastructure business.

Econosofia (VIP Romania) Bucharest, Romania
Member *Nov 2024 - Present*

- Selected as 1 of 92 members from 921 applicants to Romania's most selective student finance society, following a multi-stage assessment and two-week trial period.
- Joined the Investment School flagship program as an organizer, covering Investment Banking, Asset Management, and Pension Funds, with applied workshops on macro research and investment decision-making.

LEADERSHIP & ACTIVITIES

- **Independent research:** Authored a study on European PE fundraising (2020–2023), running Pearson correlations and linear regressions across UK & Ireland, France & Benelux, and DACH regions.
- **Valuation Mentor:** Guided a team of students through the ONE United Properties (BVB: ONE) valuation as part of Econosofia's Investment School program, helping them with methodology and the full modeling process.
