Passionate about finance, I'm committed to building a career in asset management, private equity, and related fields. My studies in business administration have ignited a deep interest in financial markets, and I'm eager to continuously learn and contribute to the industry.

EDUCATION

FABIZ - Faculty of Business Administration in foreign languages **Bucharest, Romania**
Bachelor of Business Administration Expected 2026

- **Relevant Coursework:** Economics; Financial Accounting; Statistics for business

WORK & LEADERSHIP EXPERIENCE

CEC Bank **Bucharest, Romania**
Treasury Apprenticeship Mar 2025 – Present

- Learning from the expert dealers and continuously gaining in-depth insights into money market dynamics and transaction structures for FX, SWAP and government securities.
- Engaged in strategic discussions on market trends and operational innovations, deepening practical knowledge of treasury strategies.
- Exploring core treasury operations by observing key functions in front office, sales, and middle office, also understanding essential processes such as regulatory reporting and risk management.
- Learning key ALM practices by following RMO management, settlement procedures, and regulatory reporting.

Total Grup Telecom **Bucharest, Romania**
Site Acquisition Specialist, Part-time Feb 2024 – Sep 2024

- Managed site acquisition processes, ensuring timely execution, cost optimization, and compliance to support the expansion of the network.
- Vantage Towers Experience:
  1. Lease negotiation in Bucharest area
     - Negotiated lease contracts with property owners in the Bucharest area, reducing operational costs and accelerating network deployment.
  2. Building permit in Bucharest area
     - Secured necessary permits and approvals, ensuring compliance with local regulations and accelerating the project timeline, preventing delays and ensuring timely construction.

Econosofia - Part of VIP Romania **Bucharest, Romania**
Member Nov 2024 – Present

- Selected as one of 92 members from 921 applicants after a rigorous selection process, including a two-week trial period.
- Attended training sessions on Investment Banking, Asset Management, and Pension Funds, along with workshops on macro research, financial communication, and investment decision-making.
- I am currently engaged in the Traderion Virtual Learning Bank program, simulating real-world scenarios like portfolio management and asset allocation.
- Joined the Investment School team, a flagship program for students to understand the complex world of investing.
