PROFESSIONAL SUMMARY

A self-driven **business and finance** student with a strong foundation in project management and leadership. I am passionate about leveraging my knowledge and skills to foster positive change in the business world, particularly in areas related to **financial management**, **advisory/assurance services**, and **sustainable business practices**.

EDUCATION

BSc in International Business - Finance Specialization **September 2021 - Present**
Maastricht University School of Business and Economics

Relevant courses

- International Financial Management
- Managerial Finance and Accounting
- Options and Futures
- Finance
- Accounting and Financial Reporting
- Auditing and Fraud Detection

WORK EXPERIENCE

Junior Auditor, CLA Romania - *full-time* **February 2025 - Present**

- Assist in the **planning** and **execution** of **external audits**;
- **Evaluate and perform tests on financial records** to ensure adherence to acconting standards and regulatory framework;
- Support the preparations of comprehensive **audit documentation** and **reports.**

Engagement Commissioner, SCOPE Maastricht - *full-time* **July 2024 - December 2024**

- SCOPE is Maastricht's platform for academic, career, social, and network **development**.
- As SCOPE's Engagement Commissioner, I oversaw over **45 part-timers** across **9 committees**, who organized **14 events** this year, which were attended by over **6,000** registered (member) participants.

EXTRACURRICULAR ACTIVITIES

Student Consultant, Community Case Challenge 2024 - *part-time* **February 2024 - May 2024**

- Collaborated in a team of five to **deliver strategic consulting solutions** for Artichoque Art, a local art gallery, resulting in **actionable recommendations** that boosted sales by 10% - such as online marketing and increased engagement with their costumer base through various in-person events;
- Enhanced project management and problem-solving skills through **weekly coaching sessions** (academic and professional), successfully **applying business knowledge** to the challenges posed by a niche art market.

Green Team of SBE, Green Office - *part-time* **September 2023 - September 2024**

- **Analyzed** and **monitored** the SBE Faculty's sustainability efforts;
- **Streamlined** internal and external **communication** for the annual UM Sustainability Days;
- **Prepared** and **hosted a general external relations training** for all 15 UM externals involved in the organization;
- **Organized, oversaw** and **frequently updated** our shared logbook (consisting of our Maastricht local green partners).

DIPLOMAS AND CERTIFICATIONS

- **Auditing the Future 2024 (2024)** - awarded by the *Royal Netherlands Institute of Chartered Accountants;*
- **Problem Solving with Excel (2024)** - an online non-credit course authorized by *PwC* and offered through Coursera.

INTERESTS AND SKILLS

- **Technical Skills:** PowerPoint, Sharepoint, Excel Data Analytics, Financial Analysis, SPSS;
- **Languages:** Romanian (native), English (full proffesional proficiency), French (limited working proficiency);
