INTERNATIONAL CONFERENCE "2DAY AMBASSADOR" The Romanian Ministry of Foreign Affairs, the Embassy of Israel in Romania

Throughout this conference, which completely fascinated me, I had the opportunity to be, at least virtually, in direct contact with some of the most famous Romanian ambassadors, but also ambassadors from other countries in Romania, as well as the CEO of Phizer in Romania , very well-known Romanian doctors. During the conference, I had the opportunity to talk with the Romanian ambassador in the UK, as well as with the Romanian ambassador in Germany about studying abroad, as well as many topics of international interest.
