Experience

INDEPENDENT ADVISORY Remote
Financial & Regulatory Consultant 11.2025 - Present

- Delivered independent DAC6 and AIFMD compliance assessments, utilizing regulatory databases to audit European FinTech integration readiness for institutional clients.
- Authored 5+ technical briefs evaluating Open Finance tax transparency requirements, providing risk-mitigation roadmaps to prevent cross-border audit penalties.

DELOITTE TAX & LEGAL Luxembourg, Luxembourg
Senior Consultant | Private Equity & Regulatory Reporting 09.2021 - 10.2025

- Calculated complex multi-jurisdictional tax bases (US, UK, BE, CH, AT, LU) for €10B PE portfolios, executing strategies that identified 12% in conceptual tax savings.
- Managed statutory tax reporting workflows for 110+ high-value entities, ensuring execution of UHNW and institutional tax filings ahead of strict regulatory deadlines.
- Built Python (Pandas) scripts and VBA macros to automate international tax data cross-referencing, cutting preparation time by 53% and ensuring 100% compliance accuracy.

OMV AG Vienna, Austria
Finance & Control Intern 01.2020 - 05.2020

- Supported corporate recommendations by constructing monthly financial models and conducting variance analysis for international subsidiaries.
