Teodor-Alexandru Dominteanu

Bucharest, Romania
+40734621680 - teodominteanu@gmail.com

Professional Summary

Motivated and detail-oriented **Finance Graduate** with foundational experience in **Mergers & Acquisitions**, **financial modelling**, and **ESG integration**. Contributed to projects with a **€900M Forbes-recognized fund** and supported nonprofit and for-profit ventures, honing analytical and entrepreneurial skills.
Ranked **1st in cohort** in a competitive finance program, complemented by international academic exposure in advanced corporate finance and risk analysis. Currently an active candidate in the **CFA Level I exam**, dedicated to building expertise in investment analysis, portfolio management, and corporate valuation. Adept at collaborating with diverse stakeholders and leveraging data-driven insights to support strategic decision-making and deliver value.

Experience

Consultant - University Partnership
February 2023 to May 2023
IRIS Sport - Koeln

- **Designed a "Return on Sustainability" (TROS) framework** for the sports industry, integrating metrics such as **Non-Advertising Return of Sustainability (N-AROS)** and **Advertising Return of Sustainability (AROS)** to quantify the financial and non-financial impact of ESG initiatives.
- **Developed sustainability KPIs and indices** aligned with SASB and GRI standards, enabling stakeholders to measure ESG performance and identify areas for operational and financial improvements.
- **Conducted detailed segment analysis** across sports organizations, facilities, media, and apparel, identifying material ESG factors and creating actionable insights to inform sustainability strategies.
- **Formulated financial models** to monetize sustainability benefits, calculating tangible returns like cost savings from efficiency improvements and intangible benefits like enhanced brand value.
- **Presented findings and recommendations** to stakeholders through a comprehensive project presentation, translating complex ESG frameworks and financial metrics into actionable strategies.

Finance Intern
July 2022 to September 2022
Speedwell - Bucharest

- Collaborated with the CFO and a senior analyst to investigate profitability discrepancies for a specific building, uncovering improperly disclosed fixed utility costs. Coordinated with the property manager to rectify cost allocations and improve reporting accuracy.
- Curated and refined financial data for an investor presentation, analyzing performance ratios such as **ROE, ROA, and EBITDA margin**, while evaluating market potential for new developments based on **quantitative metrics** and **qualitative drivers** like location and market demand.
- Assisted the senior analyst in updating pro forma budgets and financial models, ensuring accuracy in projected financial performance and alignment with strategic objectives.
- Initiated the development of a Power BI data visualization tool, partnering with the accounting department to create dashboards that streamlined financial reporting and provided a cost-effective alternative to a third-party software license.

Founder | Analyst
October 2019 to January 2021
Infinity Healthcare - Bucharest

- **Built and managed a deal pipeline** by sourcing acquisition opportunities, conducting cross-sectional analyses, and prioritizing high-potential targets based on efficiency and profitability ratios.
- **Performed end-to-end due diligence**, evaluating opportunities through standalone valuations and financial covenants requested by financing institutions.
- **Secured financing solutions**, including loans and private equity, by aligning bank requirements with projected cash flows and profitability metrics.
- Conducted **competitive benchmarking and scenario analysis**, ensuring informed decision-making for acquisitions with optimal risk-adjusted returns.
- **Negotiated transactions** worth $1M–$5M, showcasing expertise in structuring agreements and aligning them with strategic growth goals.

Education

Bachelor of Science : **Finance and Management**, 2024
CBS International Business School - Koeln

- **Academic Achievement**: Ranked 1st in cohort with a local grade of 1.3 (equivalent to 3.7 GPA or First-Class Honours).
- **Key Coursework**: Financial Reporting and Analysis, Capital Markets, Capital Budgeting, Risk Management.
- **Membership**: Member of CBS Investment Academy and Finance and Business Club.

Bachelor of Science : **Finance**, 2024
