Email lpotocea@gmail.com

Senior financial services executive with more than 20 years of experience across corporate banking, credit risk management, financing solutions, business advisory, and financial performance optimization. Proven expertise in evaluating complex financing structures, assessing corporate creditworthiness, managing multi-segment portfolios, and supporting strategic decision-making through rigorous financial analysis. Extensive experience in structuring lending transactions, conducting cash flow and investment analysis, identifying financial and operational risks, and developing solutions that enhance profitability, liquidity, and long-term business sustainability. Recognized for combining strong analytical capabilities with commercial acumen, leadership effectiveness, and the ability to translate complex financial information into actionable business recommendations.

WORK EXPERIENCE

November 2025 to present
INDEPENDENT CONSULTING

Strategic Financial Adviser & Business Consultant

Structured and negotiated financing solutions, including investment loans, working capital facilities, refinancing transactions, and growth financing arrangements. Conducted comprehensive financial analyses, assessing profitability, liquidity, leverage, debt capacity, and repayment sustainability to support strategic business decisions. Developed advanced financial models, including integrated cash flow forecasts, scenario analyses, sensitivity testing, and investment evaluation models. Supported clients in securing external funding through commercial banks, government programs, grants, and alternative financing sources, managing the end-to-end financing process. Advised management teams on working capital optimization, cash management practices, and financial restructuring initiatives designed to improve liquidity and operational efficiency. Identified key financial, operational, and market risks, developing mitigation strategies and contingency plans to strengthen business resilience.

January 2014 to November 2025
INTESA SANPAOLO BANK ROMANIA– PLOIESTI BRANCH

Branch Manager

Managed and monitored a diversified lending portfolio, evaluating credit exposure, profitability, repayment capacity, and portfolio quality across multiple client segments. Performed in-depth analysis of corporate and SME financial statements, cash flow generation, liquidity positions, leverage indicators, and debt servicing capacity to support lending decisions. Participated in credit approval processes by assessing financing requests, business plans, investment projects, and

risk-return profiles in accordance with internal risk frameworks and regulatory standards. Evaluated complex financing structures, identifying key credit risks, covenant considerations, collateral adequacy, and mitigation strategies. Monitored portfolio performance through ongoing review of financial indicators, early warning signals, sector developments, and client-specific risk factors. Drove sustainable portfolio growth while maintaining disciplined credit standards, regulatory compliance, and risk-adjusted profitability objectives. Managed branch financial performance, including budgeting, forecasting, profitability analysis, resource allocation, and operational efficiency monitoring. Ensured compliance with regulatory requirements, internal control frameworks, KYC/AML standards, and risk governance policies.
